

Introductory Paragraph- ABC EXPAT

ABC EXPAT is a Business Process Outsourcing company (BPO). We offer strategic advice and operational support on the African market. Thanks to our team of experts, we assist organizations of any size, any sector or any nationality on the most efficient way to set up and operate in compliance on the emerging markets of the continent. We specialize in providing comprehensive assistance to companies across several crucial domains:

- **Registration:** Our services encompass everything needed for seamless company setup and administrative compliance like company secretary services, ensuring your operations in Africa thrive from the get-go.
- **Expansion:** From payroll management to accounting management, co-working spaces, and HR support, we offer a suite of support services tailored to fuel your company's growth.
- **Immigration:** Simplifying the bureaucratic maze, we handle all paperwork necessary for international staff, including work permits, Permanent residence, alien cards, and more.
- **Relocation:** We streamline the relocation process for your international staff, facilitating driving license conversion, house and school searches, and ensuring a smooth transition for them and their families.

Discover seamless, stress-free transitions with our bespoke expat services tailored to your unique needs. Let us handle the complexities, so you can embrace your new adventure with confidence and ease.
