

Immigration Services

19th July 2024

Profile

Our immigration practice is one of the oldest and most established in our jurisdiction, having been in existence for over 15 years. We are also one of the few firms in our market that offer both contentious and non-contentious support in this area.

Through Meritas (a Band 1 global alliance) our lawyers access a labour and employment group that deals with among other things immigration and the international mobility of staff.

Jinaro K. Kibet SC, who takes the lead in our immigration practice is recognised as one of Kenya's finest lawyers. He has the rank of Senior Counsel, the highest level of recognition for an advocate.
